Needless to say they did and also ordered one for his uncle James. On Aug. 24th at the family cemetery just west of Wagener a gathering of 50 SCV members, friends, relatives, and reenactors paid their respects to Pvts. Jacob Aaron & James Carson Garvin of Co. I, 20th. SC Infantry.

Alysia Shumpert played a touching violin solo of "Farewell" theme from the, excuse me, Civil War Series and Cdr. Wayne Wilson of the Duncan Camp & the 25th. SC played Taps.

RS Garvin was pinned as a Guardian, along with Larry Schumpert & John Smith of the 15th.

RS Garvin fires a single volley salute with members of the 13th. SC in honor of his father and uncle.

Notice to Members and Camp Adjutants

Make Address Corrections to Adjutant, Adjutant to Division Adjutant - It is Imperative that our mailing list be correct. In the first mailing of the Palmetto Partisan 60 letters were returned. This is unacceptable, we lost all cost savings of having a permit. Please help out and let us know.

Division Information

General information for editors. We as an organization under the umbrella of International HQ SCV which has non-profit status. You can send out your newsletter at a special 3rd. class rate. Now some of you say, it won't get there in time, they don't forward it etc.

Well it goes just as fast as first class. Correct, it is not forwarded, but it is required that the sender be notified of address corrections and then you can resend. If you find a local mailing service, you don't even have to pay the permit fees. Just obtain a permit, use the services number and have the appropriate pieces of mail.

A total number of 150 pieces, presorted and packaged. The current rate for 3/5 zip in quantities of 10 (min.) packages is 0.114, for others it is 0.132, this is for less then 150 in the 3/5 and out of state.

Just for your inf. from the "Bee Cause" mail room we mail on the average 275 per month. This is 100 members, 10-25 guest, honorary members or free inf. copies, 45 camp exchanges, 20 to division staff, 10 to national staff, 75 to subscribers (Duncan & Springfield Camps mostly). First class this would cost 275 X 0.32 = \$88 per month. We pay on the average \$31 per month postage, printing is \$168, we get a good deal from Howell Printing. Because the "Bee Cause" is twelve pages it would cost 0.52 each which is 275 X 0.52 = \$143, we really only pay out \$50 a month more for a printed, in color newsletter, then sending out a first class postage, Xeroxed copies one.

It makes sense. You get more, the members enjoy more, and you can send it to more. And if you do a big project and want to make a mass mailing, you can do it on your permit.

Editors, please, we know its expensive but exchange your newsletter with other camps. If not all of them at least with your brigade, Division Cdr., and Brigade Cdr. And don't forget to submit photos and stories of interest. Next deadline is Jan. 31st. THANKS

Division Convention

Sons of Confederate Veterans General Convention

Nashville Tennessee, July 30 to August 2,1997. A word of Welcome to all SCV Compatriots: Gentlemen.

As host camp for the 1997 General Convention we the members of the General Joseph E. Johnston Camp #28 welcome you to Nashville, Music City and the Athens of the South.

Under the leadership of Co-Chairmen Cdr. Dick Knight, IPCdr. Wes Shofner and the Convention Committee, the Camp has undertaken a program we hope will be both enjoyable and memorable.

Activities planned for the Convention include 4 tours; Confederate Nashville, Battles of Nashville, Franklin, and Spring Hill. On Wednesday night, July 30th we will hold a Concert in the Ryman Auditorium, this will mark the 100th anniversary of the Confederate

Gallery an addition to the auditorium donated by the United Confederate Veterans for the reunion held in Nashville in 1897. The ladies are not forgotten at the Convention. They will visit some of the most lovely ante-bellum homes in the South. Nashville is a mecca for the vacationer. While you are here, be sure to visit Opryland, the Grand Ole Opry, the Hermitage; home of Pres. Andrew Jackson, the Parthenon; a replica of the original in Greece, and a newly revitalized historic district that is filled with entertainment opportunities. We will have discount coupons to many of these attractions. Middle Tennessee is also filled with WBTS history. Within a two hour drive from Nashville are Shiloh, Ft Donelson, Ft. Henry, Murfreesboro, Franklin, Spring Hill, Columbia (including the SCV HQ @ Elm Springs.), and of course the Battle of Nashville.

We look forward to seeing you next Summer.

Sincerely, Dick Knight & Wes Shofner

> Parade to State House 11:00 AM

Camp l urge all and Brigade Cdrs. to emphasize this important date at their respective meetings. I also urge all Compatriots to set this day aside and make **EFFORT** to attendance to remember THEIR ancestors. is not meant to take the place of local observances, but a day we come together from across the state to honor our ancestors.

Cmpt. Rusty Rentz Chairman

Commanders Corner

The efforts of Governor David Beasley and his political cronies to remove the Confederate flag from the Statehouse dome are in full swing. They are using every resource of the executive branch to accomplish this goal and they are determined to win. We must be more determined to prevent the loss of the most prominent Battleflag in the world.

The governor's efforts have been well organized. He has carefully selected spokesmen who will support him and then has used that support to pressure others. This appears to be especially true in the case of Lt. Gov. Bob Peeler who, up until a few weeks ago, was telling everyone who asked that he would never support taking the flag down.

Another great disappointment is Senator Strom Thurmond. A long time member of the SCV, Sen. Thurmond has been vague in the last few years about exactly where he stood, but whenever he was pressed he always supported keeping flag. You may recall that during the Republican Primary this year Sen. Thurmond was quoted as saying cave in to those who wanted to move the flag, while his opponent, Rep. Harold Worley, was solidly in favor of keeping it atop the dome.

After this news hit the streets Thurmond's staff scrambled to assure voters (and especially heritage supporters like the SCV) that the Senator's position had not changed. They said he had been misquoted: he still supported keeping the flag over the dome. Now, only a few days after the general election, The Senior Senator from South Carolina (and one of our own Compatriots) has sided with Beasley, and wants the flag to come down. I never thought I would say this, but I regret having voted for Strom Thurmond.

The governor says he wants to improve race relations in South Carolina and the only way he can do it is to lower the flag. Make no mistake about it: if the flag comes down the enemies of Southern heritage (like the NAACP and other liberals) will be one step closer to their stated goal of eradicating all symbols of our Confederate ancestors. As Sen. Glenn McConnell (also one of our Compatriots) said in his televised rebuttal to the governor the governor, 'asks us to give all to those who will give us nothing.'

We are indebted to Sen. McConnell and especially to Attorney General Charlie Condon, the only state-wide official to stand with the voters. Fortunately, we have many friends in the General Assembly, and they are willing to take a stand for their constituents no matter how hard the governor pushes. They need our encouragement as much as our opponents need our opposition.

Another group that needs to be opposed directly is the South Carolina Chamber of Commerce. Every Camp should make a concerted effort to contact the Chamber businesses in their area and ask them why they continue to support the millionaires who run the Chamber and who are trying to remove our flag. These businesses, no matter how small or large, need to know we cannot patronize those who are against us.

Fundamentally, the flag opponents have all been deceitful. They have become promise breakers. Governor Beasley ran for office on a pro-flag platform and now he has turned his back on the voters. The major news outlets in the state (especially The State newspaper) have praised him repeatedly, because he now agrees with them. The Governor, they say, is courageous because he has betrayed the pledge he made to us in his last election. 'Courage' is speaking one's mind prior to the campaign; pretending to change one's mind only a few days after a general election is correctly called 'expediency.'

Our position is strong if we remain united. Please do everything you can to keep the pressure on members of the legislature and on the ministers of your churches. The governor is seeking to give his campaign against the flag the appearance of a moral crusade. That is why he is actively recruiting ministers to support his treachery. It is very important for us not to give up the moral high ground. Thank you for your service to the cause.

Chris Sullivan. Commander

Commander Chris Sullivan, SCV P. O. Box 11719 Columbia, S. C. 29211

Dear Commander Sullivan,

As I complete my term as President of the South Carolina Division, United Daughters of the Confederacy, I wish to thank you and the Sons of Confederate Veterans for your kind assistance.

The Sons of Confederate Veterans have worked closely with the UDC during this administration in various ways. It has been a rewarding time as our organizations have honored our Confederate ancestors with Memorial Services. The Dedications of Grave Markers as we remembered the veterans were an indication of our Confederate heritage. Because of our commitment, we have presented a united effort in informing others of our dedication to the men in gray.

Thank you for all your support and encouragement you have shown, as we have met on various occasions. I wish you the best as you continue in your position as Commander. If I can be of assistance to you or any member of the Sons of Confederate Veterans in any way, please call me.

With UDC devotion,
